

In the Bible, there is a clear call to the church to serve one another by being committed members of the body. It is difficult to be a committed member if you are only attending a worship service for 90 minutes a week. It is only when you begin to “share life” with other believers that you truly learn what it means to be a committed member of the body of Christ. One of the best ways to “share life” is by being connected in a Sunday School class or small group. At Grace Life, we offer a variety of Sunday School classes and small groups where you can connect and truly live out the “Grace Life” God has called you to live. There are classes offered for every age at 9:00am and 10:45am on Sundays. We encourage parents and children to worship together in the same worship service and attend Sunday School at the same hour. If you have any questions about Sunday School or small groups or need assistance in finding the best option for you and your family, please call Saint Green, our Pastor of Family Discipleship at 205-428-1786 or email him at [saintg@yourgracelife.com](mailto:saintg@yourgracelife.com).
